

ARUN K

Front End Developer and GIS Expert

+919497362651 @ arunkanakillam70@gmail.com https://arunkanakillam.github.io/portfolio/ Kerala, India

SUMMARY

I am a detail-oriented front-end developer with a strong background in building dynamic web applications using React and expertise in Geographic Information Systems (GIS). I have a passion for utilizing innovative technologies to create visually engaging user experiences. I am eager to contribute to collaborative teams, leveraging my skills to develop impactful solutions that enhance spatial data visualization and user interaction.
